RESILIENCE WEBINAR SERIES

Seismic Resilient Highways

This webinar features Oregon's leadership in the development of seismic resilient highway corridors, and the first seismic resilient corridor, US-97. Join this webinar to learn more about the strategies Oregon has put into place to build their seismic resiliency, including the development of higher bridge standards and a prioritization plan for bridges and corridors. *Presented by Matt Garrett, Oregon Department of Transportation Director*

Monday, December 3 at 3:00 p.m. EST[REGISTER](#)

Building Organizational Resilience

How do you create a resilient organization in the face of recurring extreme events? Join this webinar to learn how the Louisiana Department of Transportation and Development addressed "hurricane fatigue" and how they continue to build organizational resilience. *Presented by Shawn Wilson, Louisiana Department of Transportation and Development Secretary*

Wednesday, December 5 at 3:00 p.m. EST[REGISTER](#)

Learning from Hurricane Florence

This webinar provides lessons learned from Hurricane Florence, a Category 4 storm that ripped through the Carolinas and caused severe flooding that was compounded by pre-existing ground saturation due to earlier summer floods. *Presented by Leland Colvin, South Carolina Department of Transportation Deputy Secretary for Engineering*

Monday, December 10 at 3:00 p.m. EST[REGISTER](#)

Cyber Resilience

The transportation sector is the third most vulnerable sector to cyber attacks. Join this webinar to learn from Colorado DOT about what DOTs should know and how they can be better prepared. *Presented by Mike Lewis, Colorado Department of Transportation Executive Director*

Wednesday, December 12 at 3:00 p.m. EST[REGISTER](#)

2018 Transportation RISE Recap

This webinar provides a closing summary of AASHTO's RSTS Resilience Webinar Series, as well as findings and lessons learned from DOT CEOs at the first annual Transportation Resilience Innovations Summit and Exchange (RISE). *Presented by Paula Hammond, WSP USA and Former Washington State Department of Transportation Secretary*

Monday, December 17 at 3:00 p.m. EST[REGISTER](#)
