AMPO Resources and Updates

Ongoing Activities

- **[AMPO Public Involvement Working Group](#)**
 - The AMPO Public Involvement Working Group supports public involvement in metropolitan transportation planning that meets federal requirements and strengthens the delivery and stewardship of programs, projects, and the transportation system.
- **[AMPO Active Transportation Working Group](#)** (coming soon!)
 - AMPO is exploring the development of a new working group focused on active transportation and health. The group will seek to build capacity amongst MPOs and advance the state of planning and implementation for bicycle, pedestrian, and non-motorized transportation projects and programs. The purpose of this newly developed working group will be to provide a forum for MPO staff to share practices, information, and resources as well as identify needs and gaps.
- Visit AMPO.org for more information.
